

GET PACKIN'

Let's face it, packing for a pageant can be stressful. Coordinating rehearsals, moving from hotel rooms to dressing rooms, and making sure your competition wardrobe stays clean without getting wrinkled is like managing a three-ring circus! We've put together some tips to help you navigate your pageant stay while making sure you have everything you need in the right places.

-**Bring a small carry-on size suitcase with wheels.** This makes it easy to take makeup, shoes, and accessories back and forth between the venue and hotel room.

-**Label everything!** When you are at a large competition, things get moved and that leads to missing items. Put your name and title on EVERYTHING.

-**Buy collapsable hangers.** (Yes, this is a thing-- check out Ebay.) Most hotel rooms only provide 4-6 hangers and if you have a roommate, this can be an issue. Collapsable hangers fold up, making it perfect to toss in a suitcase.

-**Arrive early.** Don't wait until the last minute to check-in to your hotel or pageant. Arriving early gives you time to get a hotel cart and freshen up before the festivities begin.

-**You don't need that many shoes.** Find a pair of heels that make you feel fierce and can be worn with many outfits. Most importantly... find a pair that are comfortable!

-**BRING BACKUPS!** Accidents happen. Make sure you have backup competition wardrobe and an extra rehearsal outfit!
